SUBJECT: Washington State Parks and Recreation Commission Incident Report #03-49
Does Not Merit Review

Pursuant to RCW 43.41.370 and the Guidelines for Reporting Incidents, the Washington State Parks and Recreation Commission (Parks) reported to the Office of Financial Management (OFM) that on April 27, 2003, a jet ski accident off Sunset Beach at Lake Sammamish State Park killed one man and injured a second. The accident occurred on a closed course.

RCW 43.41.370(1) requires the Director of OFM to appoint a loss prevention review team when the death of a person, serious injury to a person, or other substantial loss is alleged or suspected to be caused at least in part by the actions of a state agency unless the Director, in his discretion, determines that the incident "does not merit review". Applying the criteria for loss prevention reviews, issued November 18, 2002, I have determined this incident does not merit review. According to the information Parks provided to OFM, the accident occurred on County property and is therefore outside state jurisdiction, and is not reportable under the guidelines.

This decision will be posted on the OFM website. If you have any questions about the criteria or its application to this incident, please contact either Susan Hettinger at (360) 902-9815 or Gary Robinson at (360) 902-0528.
